Director's Message

Greetings Friends, Families, and Wimpy Kids Far & Wide!

For over twenty years, Jeff Kinney's "Diary of a Wimpy" series has been entertaining and connecting to young people from all walks of life, and inspiring them to touch the metaphorical "cheese" to grow into the people they were always meant to be. While unconventional, it translates to both stage and screen seamlessly, and has proven to be one of the more unique and original musicals we've ever performed here at The SAE.

A huge thank you to the entire staff of the School of Arts + Enterprise for lifting up our kids to tell this story in such a wonderful way, the families of our students for having our backs from day one, our amazing production team and artistic staff for making Greg's world a magical one, and our incredible middle school student artists for putting on an amazing production.

Thank You,
Mr. E.J. Marquez
"Wimpy Kid" Director

Special Thanks...
